DOORS

Hello

WELCOME TO NEWBERRY DOORS

Our story begins with our owner, Sharon Berry. Having worked in the glazing and fenestration industry for almost 30 years, Sharon has cultivated a stellar reputation and is passionate about delivering excellent service and high-quality products.

Bringing integrity back to business

Sharon felt that integrity was somehow missing from the mix, and this has been her driving force in growing her seed of an idea which she has nurtured from a solid ethical foundation which has flourished into NewBerry Doors.

She has brought together a team of equally like-minded NewBerries, who hold the same values and principles that she has. We are all passionate about the whole process and are dedicated to creating the perfect door for our customers.

Finished by hand

We have intensive quality control measures in place so you can be assured that you will receive the best composite door set that has been produced to your exact bespoke specification.

We pride ourselves in taking time to hand finish every NewBerry door, thoroughly inspecting each door before it continues its onward journey to you via our own dedicated delivery service.

We love to talk

Though not just about doors (although we really do love doors!) Call us today.

Where can I find NewBerry Doors?

You will find NewBerry Doors in a tree lined avenue just outside Baglan Bay on the Baglan Energy Park, keep your eyes peeled for our purple hues and ambient tones.
